வணக்கம் Parents and Students,

SITPI'S 4th annual show was a great success!! This week our administration team has been receiving positive feedback from guests and community. We couldn't have put together such a successful show without the support and cooperation of both parents and students.

The success of our annual show is the proof that our students capability of performing beyond our expectations. From memorizing their lines, attending all rehearsals, and performing perfectly, our students have demonstrated their talents explicitly.
